

# WEATHER ROCK ORIENTATION SONG

## Chorus:

Weather Rock-a, Lovely Weather  
Rock-a  
Weather Rock-a, Hanging Over  
There!

## Verse 1

When the rock is dry and warm  
Then you wear your uniform,  
Dry and warm, uniform  
Ohhh .... (chorus)

## Verse 2

When the rock is cool and wet  
Then you wear you poncho yet,  
Cool and wet, poncho yet  
Dry and warm, uniform  
Ohhh .... (chorus)

## Verse 3

When it's moving to and from  
Then you know the winds do blow  
To and fro, winds do blow  
Cool and wet, poncho yet  
Dry and warm, uniform  
Ohhh .... (chorus)

## Verse 4

When the rock is covered white  
Frigid toes and ears tonight  
Covered white, frigid night  
To and fro, winds do blow  
Cool and wet, poncho yet  
Dry and warm, uniform  
Ohhh .... (chorus)

## Verse 5

When its shadow can't be seen  
Gloomy clouds will seem so mean  
Can't be seen, gloom so mean  
Covered white, frigid night  
To and fro, winds do blow  
Cool and wet, poncho yet  
Dry and warm, uniform  
Ohhh .... (chorus)

## Verse 6

If the rock is out of sight  
Fog is thick, flick your light  
Out of sight, flick your light  
Can't be seen, gloom so mean  
Covered white, frigid night  
To and fro, winds do blow  
Cool and wet, poncho yet  
Dry and warm, uniform  
Ohhh .... (chorus)

## Verse 7

When the rock is upside down  
Twisters soon will trash the town  
Upside down, trash the town  
Out of sight, flick your light  
Can't be seen, gloom so mean  
Covered white, frigid night  
To and fro, winds do blow  
Cool and wet, poncho yet  
Dry and warm, uniform  
Ohhh .... (chorus)
