A Personal Vision of Success

Name: Brad Bateman

S7-602-17 Patrol: Beavers

My Scouting position: Scoutmaster

The team that will benefit from my leadership: Troop 544

Scouting's Values:

Scout Oath

*On my honor, I will do my best
To do my duty to God and my country and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong, mentally awake, and morally straight.*

Scout Law

*A Scout is Trustworthy, Loyal, Helpful,
Friendly, Courteous, Kind,
Obedient, Cheerful, Thrifty,
Brave, Clean, and Reverent.*

Scouting's Mission Statement

*The mission of the Boy Scouts of America is to prepare young people to
make ethical and moral choices over their lifetimes by instilling in them
the values of the Scout Oath and Law.*

My vision of success and the related plan of action is:

Our troop has a weakness in that the a majority of the boys 15 and above become inactive or drop out of scouting. My vision is to strengthen troop's program, communication, recruitment and retention to help keep the boys excited, more involved and active as they grow up.

- To strengthen the program of troop, create an activity journal that uses standardized forms on past and future activities (campouts, hikes, meetings, service projects, water events). The activity journal will provide feedback from the leaders and scouts on the trip and how to improve the experience in the future.
- To learn how to use Facebook and start to communicate on Facebook with parents and scouts. This communication will help reach the younger generation of scouts and parents.

- Repair the scout shadow box and change the format of the Boy Scout box to encourage passive recruiting by updating the pictures and adding a calendar of activities
- To improve retention in the troop, by adding water activity will to the calendar the troop performs. This will increase the variety of activities and scouts have been asking to go canoeing.
- Improving communications with district by attending roundtable meetings.
