Name: Jim Garza S7-602-17 Patrol: Buffalo

My Scouting position: Scoutmaster

The team that will benefit from my leadership: BSA Troop 6504

SMART goal: Using the ~~BOE~~^{EDGE} method to teach and ensure SPL and PLC use the BSA campfire planning sheet prior to each campout the troop participates in.

Why: Campfires and cracker barrels are an important part of a scout's outdoor experience. They give scouts the opportunity to work on public speaking and work as a team in putting together such skits and/or songs.

How: I will lead the PLC before every campout to ensure a scout appropriate campfire program is in place for each campout the troop goes on.

How you will determine the task is complete: This is an ongoing task but can be considered complete when campfire ^Aplanning sheets are filled out completely and correctly by the PLC just as camp duty rosters are before ^{at least} every campouts — the first 6 campouts starting in 2018.
