**Wood Badge Ticket Goal Sheet** Goal # 1

Name: G. STEPHEN WITT S7-602-17 Patrol: FOX

My Scouting position: SCOUTMASTER

The team that will benefit from my leadership: TROOP 555

SMART goal: To build a portable knot tying station that can be used during troop meetings and outings. This will allow the younger and older scouts to learn the six basic knots better and advance easier. The station will be taken down after each use due to a daycare also uses the same building.

Who: BOY SCOUT TROOP 555.

What: Portable knot tying station made with recycled material, wood and rope, from previous projects.

When: As soon as possible after finishing the Wood Badge course.

Why: To assist all scouts and scouters in their basic knot tying skills. These skills can be used throughout their life in jobs and recreation.

How: Through practice and repetition.

How you will determine the task is complete: Sign up/attendance roster, pictures/video (if possible) and Wood Badge counselor approval.

My Scouting position: SCOUTMASTER

The team that will benefit from my leadership: TROOP 555

Organize storage closets for better storage capabilities. The Troop Quartermaster will be responsible for the inventory, and guided by the adult advisor. This maintenance can be repeated as needed.

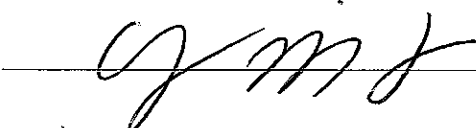

Where: Carson Building, (NEW HANOVER PRESBYTERIAN CHURCH), Troops standard meeting place.

When: As soon as possible after these items are approved..

Why: To improve the looks and functionality of the Troops meeting place and to allow the scouts to take more of an ownership role of their meeting place.
