Task:

Each "owner" should **review** their pages in the *Wood Badge Handbook*.

(Note that the *Handbook* contents will be the only thing available during your session.)

EMail Al and Chris the following, either:

I have checked the _____ section and it is good to go. No changes.

or

I have the following suggested changes for section _____ :

This needs to be done no later than 1 week before SDM3 (Friday, August 15)

Thanks! This will be a big help! Al
