Wood Badge Ticket Work Sheet

John Doe, Senior Patrol Leader

Goal: To successfully complete Aulet Leader Training.

Why: The youth and adults in the Troop will be benefit.

What: I plan to attend the next JLT held in the District and later use that experience to teach the younger Scouts.

When: My training will be at the JLT site, but teaching of younger Scouts will take place at the Troop meetings.

How: I will begin with the next JLT and complete the process within 6 months.

How do I know I will be successful? The steps I will take are (1) find out the date and location of JLT being offered, (2) attend a number of meetings, (3) practice what I have learned and (4) share this with younger Scouts.

Why is this important? This is important because it will help me to be a better leader and will improve the program in our Troop.

How do I know I will be successful? I have asked one of the District Commissioners to include my name and give me feedback of various stages in the process.
