

Invite your 11-13 year old Scouts & their families to stay with us while you are on High Adventure!

Camp Sawyer (Mile Marker 34) is conveniently located between the Florida Sea Base (MM75) and the Brinton Environmental Center (MM24) on US-1. Whether you are coming to the Florida Sea Base or looking to extend your stay, Camp Sawyer is just a stones throw away. Only 34 miles from Key West, our 9 acre camp sits on the Atlantic Ocean with breathtaking views. There are four tropical campsites right on the Atlantic Ocean. Gentle ocean breezes will lull you to sleep as you lay in your tent or in a hammock strung between the palm trees.

Many Great Adventures await:

- Sea Kayaking
- Snorkeling
- Fishing
- Canoeing
- Fly Fishing
- Coconut Shucking!
- Key West day trips & tours!

Scouts and Scouters that have stayed at our camp feel that our greatest success comes from our “Keys Casual” attitude. (Keys Casual – a way of life. Easy going...no worries. This lifestyle not only refers to dressing casual but feeling and behaving casually in a perpetual state. Paradise is “Keys Casual”.) Whether you are just looking for a place to sleep or looking for that extra special experience, our staff is dedicated to insuring that your unit gets the most out of your stay with us.
