
Additional Goal-Setting Questions

The Twenty Questions precourse assignment was intended to help you lay the groundwork for the course by developing a clearer understanding of your personal interests, values, and sense of the future. Now it's time to begin developing a vision and considering the mission that will allow you to make that vision a reality. That's at the heart of the Wood Badge ticket. Along the way, you are very likely to discover that the values of Scouting form the foundation for your vision and mission.
