

# Harmonic Minor Scales

Up to 4 $\flat$ s and 4 $\sharp$ s

Add accidentals to create the requested scales. The half steps have been indicated for you. Also note the interval of the augmented 2nd between 6 and 7 - that is an important feature of the harmonic minor scale.

## ANSWERS

Cover up this side of the page before you begin.

e

f $\sharp$

d

b

g

c $\sharp$

f

c
